

Sensory Integration & Reflexes Webinar Questions

Presenter: Sara Docan-Morgan, PhD

1. How does your racial, cultural, and personal background impact how you view adoption and race?
2. Why do you think adoptees might feel caught” between birth parents and adoptive parents?
3. How might what Dr. Docan-Morgan shared be similar or different for diverse adoptee populations?
4. Intrusive interactions are when people outside the immediate family question or comment on the adoptee and/or the adoptive members’ relationship with one another.  
True                      False
5. What was one piece of information that was shared at the webinar that you already knew?
6. What was one piece of information that was new to you that you are taking away from this webinar?
