

WI APS MENTAL HEALTH PROFESSIONALS DIRECTORY

WISAPSP.ORG/MENTAL-HEALTH-PROFESSIONALS-DIRECTORY

Wisconsin Adoption & Permanency Support maintains a list of statewide mental health professionals who have:

- Significant training and/or experience in trauma, attachment, foster care and adoption issues
- Been recommended by an adoption or permanency professional or referred by a family

Filter or sort the directory by city, age of client accepted, insurance accepted, and other details. See a picture of the professional and learn specific areas of interest. Always feel free to contact WI APS for direction in choosing someone who may be a good fit for your family.
